Laugh and learn with your SiOC colleagues and friends at April’s “Ten Tips for Plain Writing.”

Popular writing trainer, Linda Vanderwold, owner of VanWrite Writing Consultants, will roll-out her Top Ten “ah-ha” moments at this lunch seminar she’s customized just for us. Come absorb practical writing solutions specifically for busy, stressed people in government communications.

Gibberish-free prose has become so cool, it’s federal law [check out the Plain Writing Act of October 2010]. Linda’s tips just might be your “get out of jail free” card.

Bottom line, bureaucratic writing confuses and bores readers. Let’s end it now. All we need are open minds (and maybe pens).
